President's Message:

It is my privilege to assume the duties of President of our club for the next two years. My first thought is to thank Trish on behalf of all members, for her commitment and dedication to the goals of Zonta, thus providing excellent leadership during her two years as President. Thanks also to those who have served on the 2001-2003 Board. As we plan to celebrate 20 years of service to the community, we can look back with pride on the achievements of all current and past members over that time and also look to the future to continue the work of "Advancing the Status of Women Worldwide"

Congratulations to the incoming Board and I look forward to working with you. The club will continue to function with three Committees and it was possible for me to assign members to the committee of their choice. Trish, Valda and Norma will lead these committees and it is hoped that succession planning will take place to identify the next potential leader.

You will have received the District Governor's Newsletter and I urge all to take the time to read it, as it is a way of learning more about Zonta and its goals.

At the June Dinner Meeting I will take some time to align our goals and objectives with the goals and objectives of Zonta International so that members can once again look at our club's commitment.

I know Trish would want me to thank all members for their support of the Pre-Carnival High Tea, as it was her last official duty as President. A special thank you to Valda, Elizabeth and Margaret Olive for their important contribution. Chris, Kerry and Chieko were great as mannequins and I fear Elle has some competition. What a great night it was and a very happy one too.

Yours in Zonta

Berenice

Zonta on the Rocks – Advancing the Status of Women Worldwide

*Update from Tamworth re the Zonta Room
which was funded from proceeds from the District Conference in 2001.*

In March 2003 the new Emergency Unit was opened at Tamworth Base Hospital. With the **donation of \$10,000** from our Zonta Club 2 new rooms have been furnished.

The QUIET ROOM - used for relatives who need time on their own due to bereavement or acute illness of their loved ones; and

The ZONTA ROOM - which is an examination room for Sexual Assault victims. The staff at the Hospital are extremely grateful for these new areas.

Message from District Governor Robyn Gaspari.

Greetings and heartfelt appreciation from the District Board to all outgoing members of Club Boards. Thank you for the wonderful job you have done this Zonta year to support your clubs and to support each other.

Whether you have finished your term of office or have been re-elected to serve another term you have individually and collectively made a difference in your clubs, your community and the Zonta world family.

Flowers and thanks for Trish.

President Trish Collins was presented with flowers and thanked sincerely by Incoming President Berenice Payne at the Annual General Meeting in May.

Berenice thanked Trish on behalf of all members, for her commitment and dedication to the goals of Zonta, thus providing excellent leadership during her two years as President.

Trish has been able to maintain a level of membership for the club which is viable and also was the instigator of very successful ongoing International Women's Day celebrations, which involved the organization of two very successful functions.

Trish will continue to contribute as Chair of the Status of Women Committee.
